

**WVU DESIGN GUIDELINES & CONSTRUCTION STANDARDS**  
**DIVISION 07 – THERMAL AND MOISTURE PROTECTION**

---

**SECTION 072400– EXTERIOR INSULATION & FINISH SYSTEMS (EIFS)**

**PART 1: GENERAL**

1.1 Scope of Standard

- A. This standard provides general guidance concerning the specific preferences of the West Virginia University for exterior-surfacing systems that provide both thermal insulation and decorative/protective finish.

**PART 2: PRODUCTS**

- A. These systems are not approved for use at WVU.

**PART 3: EXECUTION – NOT USED**

END OF SECTION 072400
