**SECTION 102800 – TOILET AND BATH ACCESSORIES**

**PART ONE: GENERAL**

1.1 Scope of Standard

- A. This standard provides general guidance concerning the specific preferences for toilet and bath accessories.
- B. Project conditions and requirements vary, thus precluding the absolute adherence to the items identified herein in all cases. However unless adequate written justification is provided, then it is expected that these guidelines will govern the design and specifications.

1.2 Quality Control

A. Toilet Accessories

- 1. All product specifications, accessory items, colors, finishes, applications and details are to be reviewed and approved by the WVU project representative prior to the final development of the Construction Documents. WVU has selected standard products for use. All proposals shall require approval of the WVU project representative prior to finalization of the Construction Documents.
- 2. Toilet Accessories are considered Fixed Equipment and shall be included in the Construction Documents.

B. Commercial Toilet Accessories

- 1. WVU will provide the following toilet accessories:
  - a. Paper towel dispensers
  - b. Toilet tissue dispenser
  - c. Waste receptacles
  - d. soap dispenser
- 2. WVU will also prefer to incorporate family restrooms where baby changing stations will be required.
- 3. WVU also encourages at least one baby changing station in all WVU buildings.
